JANUARY 17 SPECIAL TOPIC

"Angels and Demons: The Medical and Educational Treatment of ADHD"

By Dr. Walk Karninski

Dr. Karninski is a Developmental Pediatrician with 30 years of experience in working with children with ADHD. He has also been a developer and co-owner of Tampa Day School, a school for children with ADHD and learning differences. Medication is often demonized as a treatment for ADHD. This presentation presents new findings and old myths about the medication treatment of ADHD, as well as discussing in detail, how a different educational approach is necessary for children with ADHD.

Meetings take place on the 3rd Tuesday of the month.

7:00pm – 8:15pm

Jan Platt Regional Library

3910 S. Manhattan Ave, Tampa, FL 33611
